

Rekonstrukce systémů veřejného osvětlení 2024

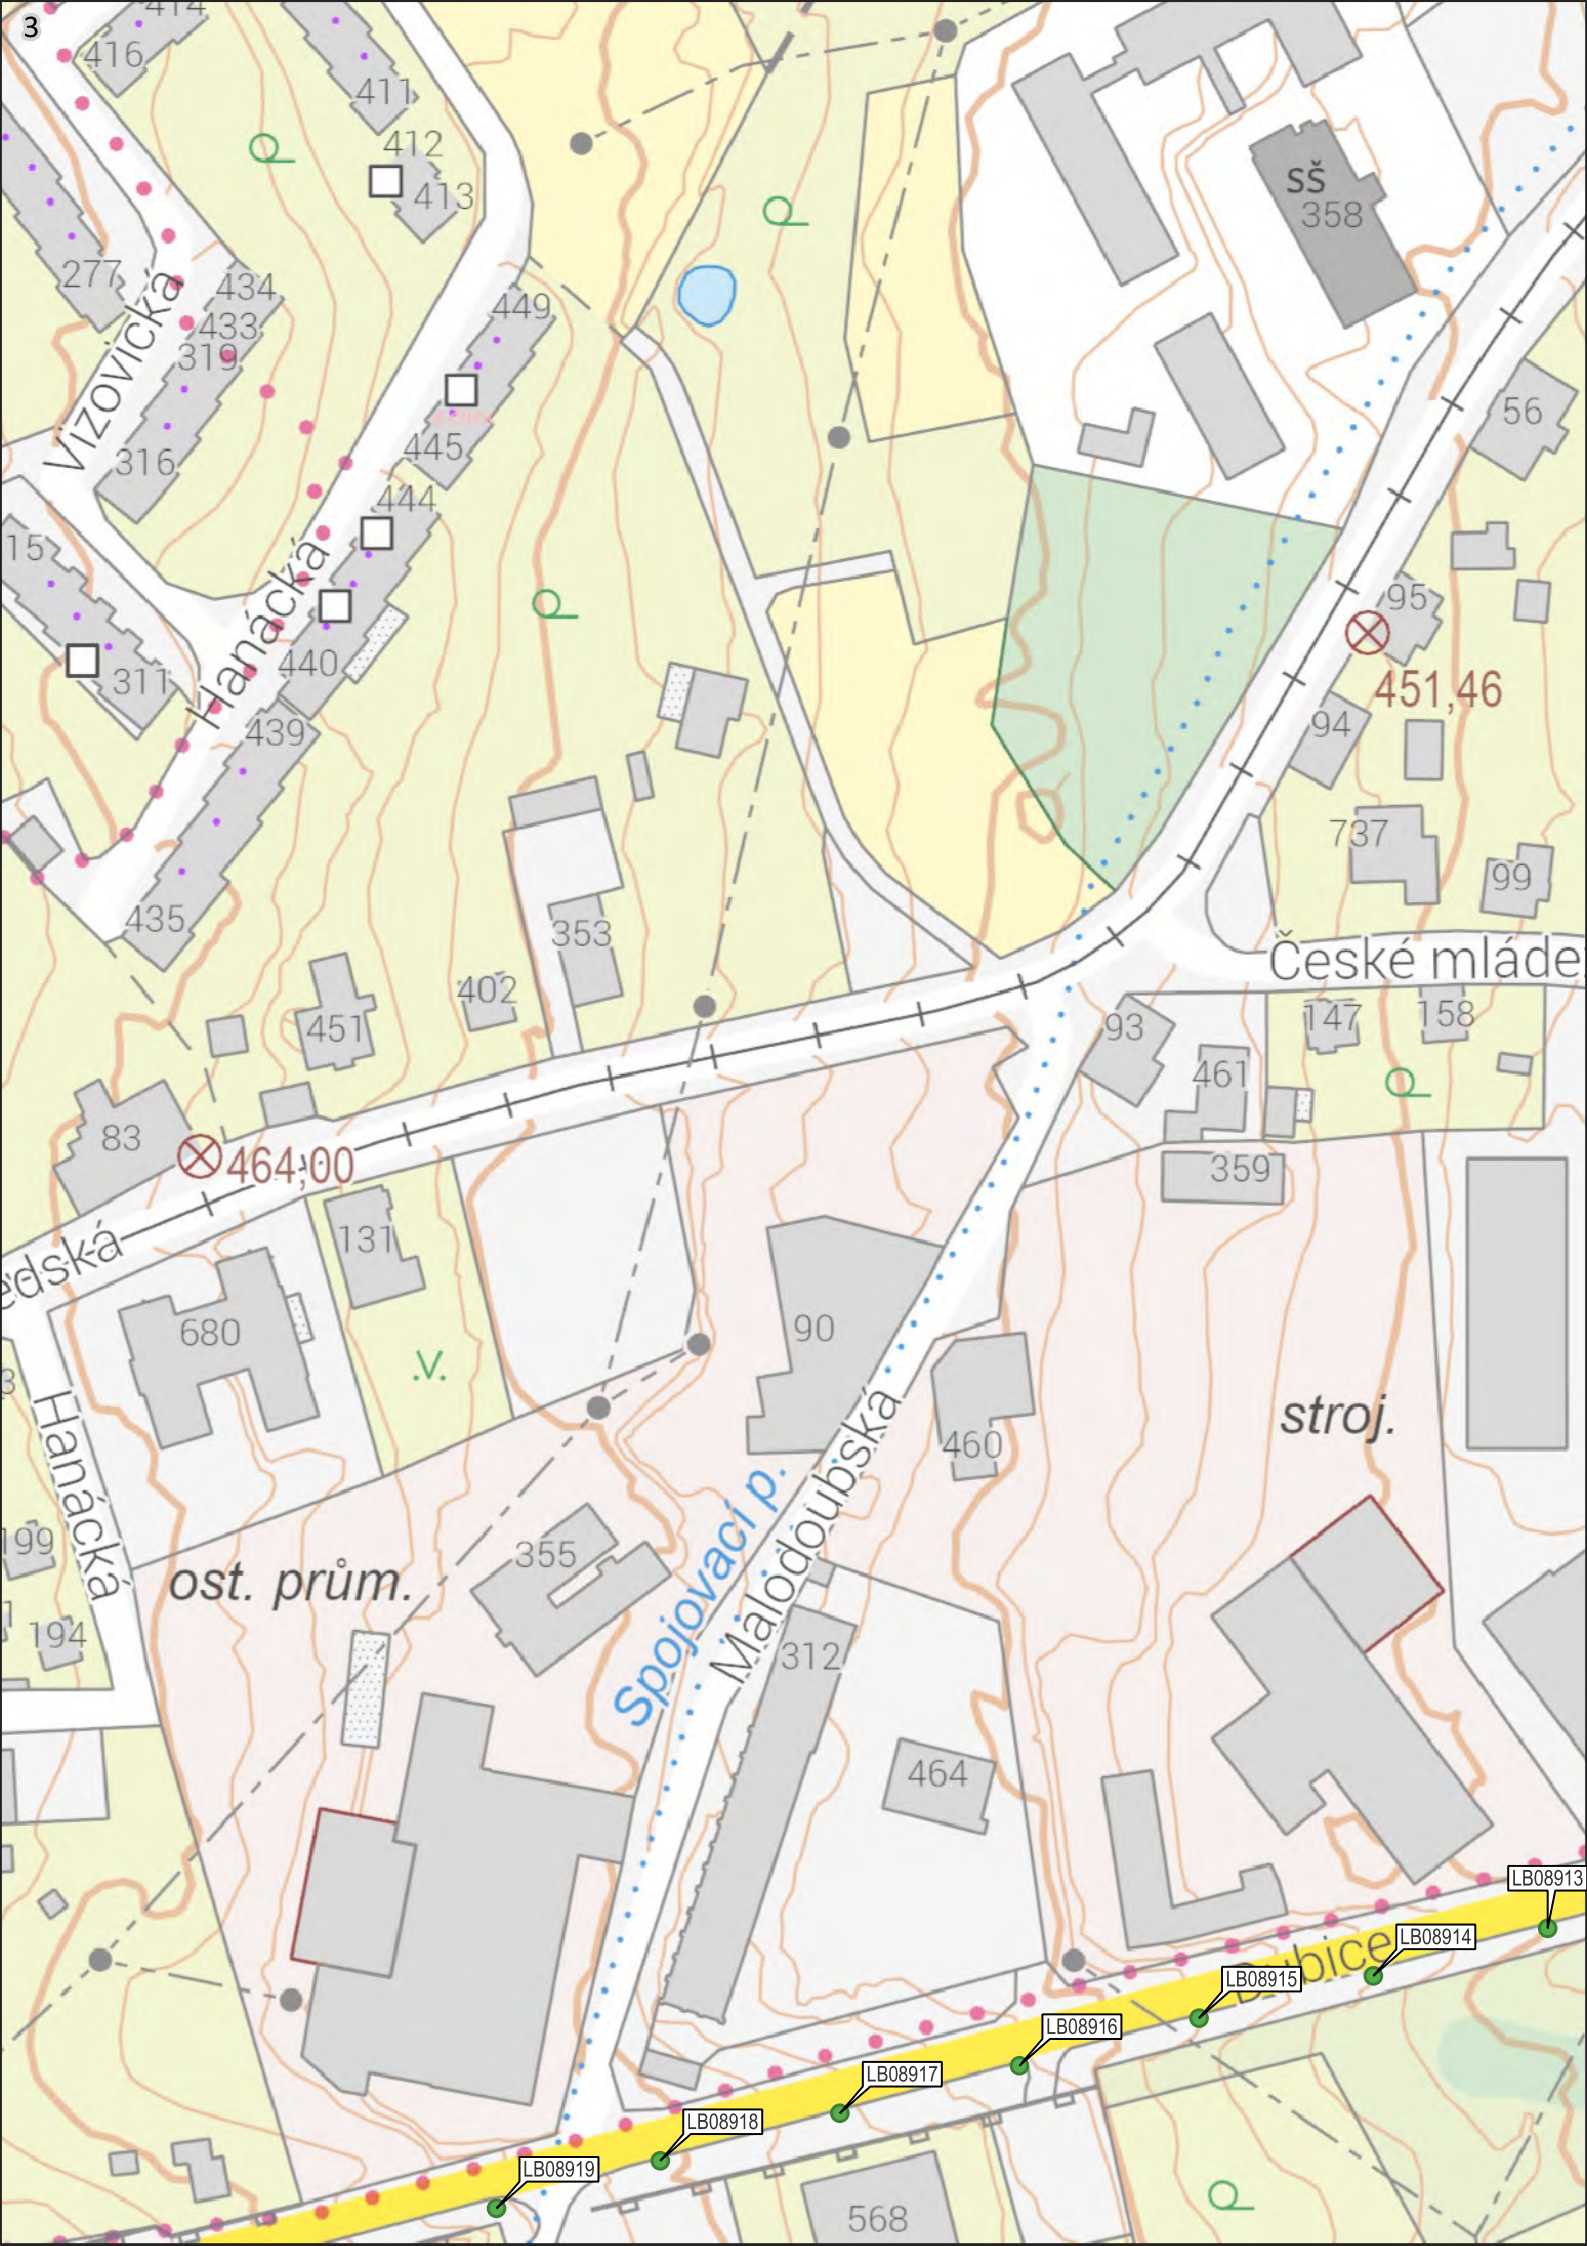

The map illustrates the planned reconstruction of public lighting systems in Liberec for 2024. The city is divided into a grid of numbered areas, each representing a specific zone for reconstruction. The areas are numbered as follows:

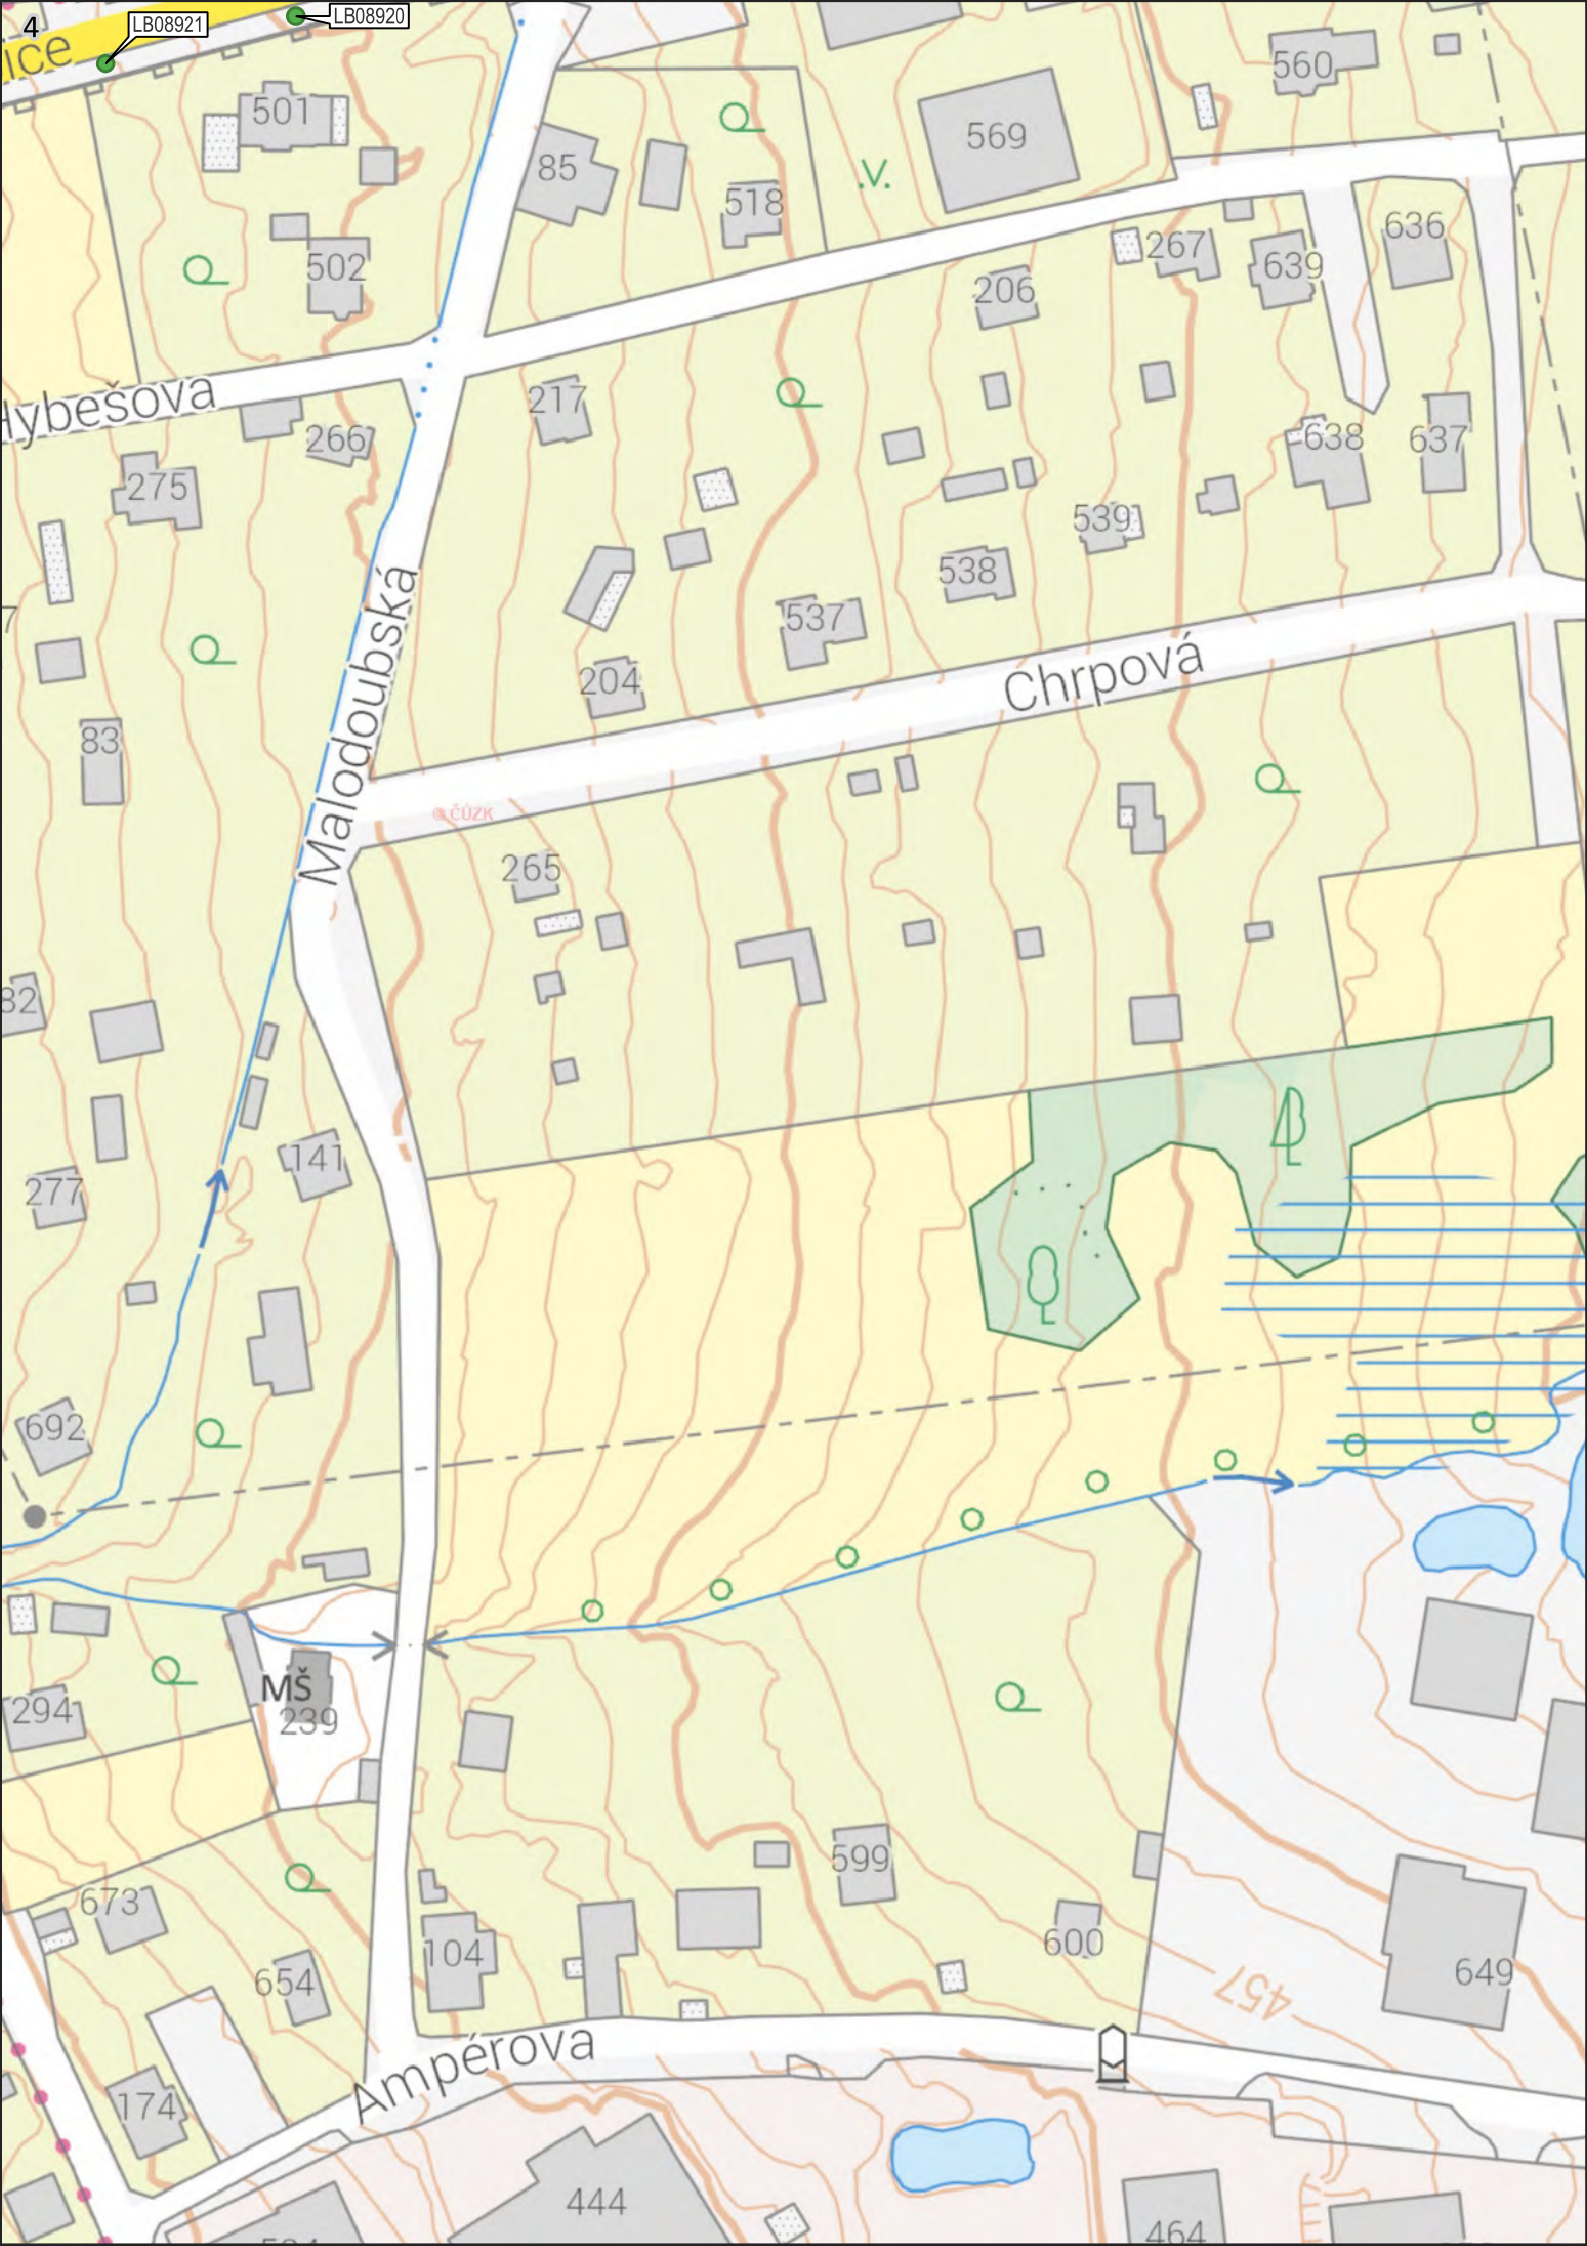

- 1-10: Central and northern areas, including the city center and surrounding districts.
- 11-20: Southern areas, including the districts of Stráž nad Nisou and Strážná.
- 21-30: Eastern areas, including the districts of Strážná and Strážná.
- 31-40: Western areas, including the districts of Strážná and Strážná.
- 41-50: Central areas, including the city center and surrounding districts.
- 51-60: Southern areas, including the districts of Strážná and Strážná.
- 61-70: Eastern areas, including the districts of Strážná and Strážná.
- 71-80: Western areas, including the districts of Strážná and Strážná.
- 81-88: Central and northern areas, including the city center and surrounding districts.

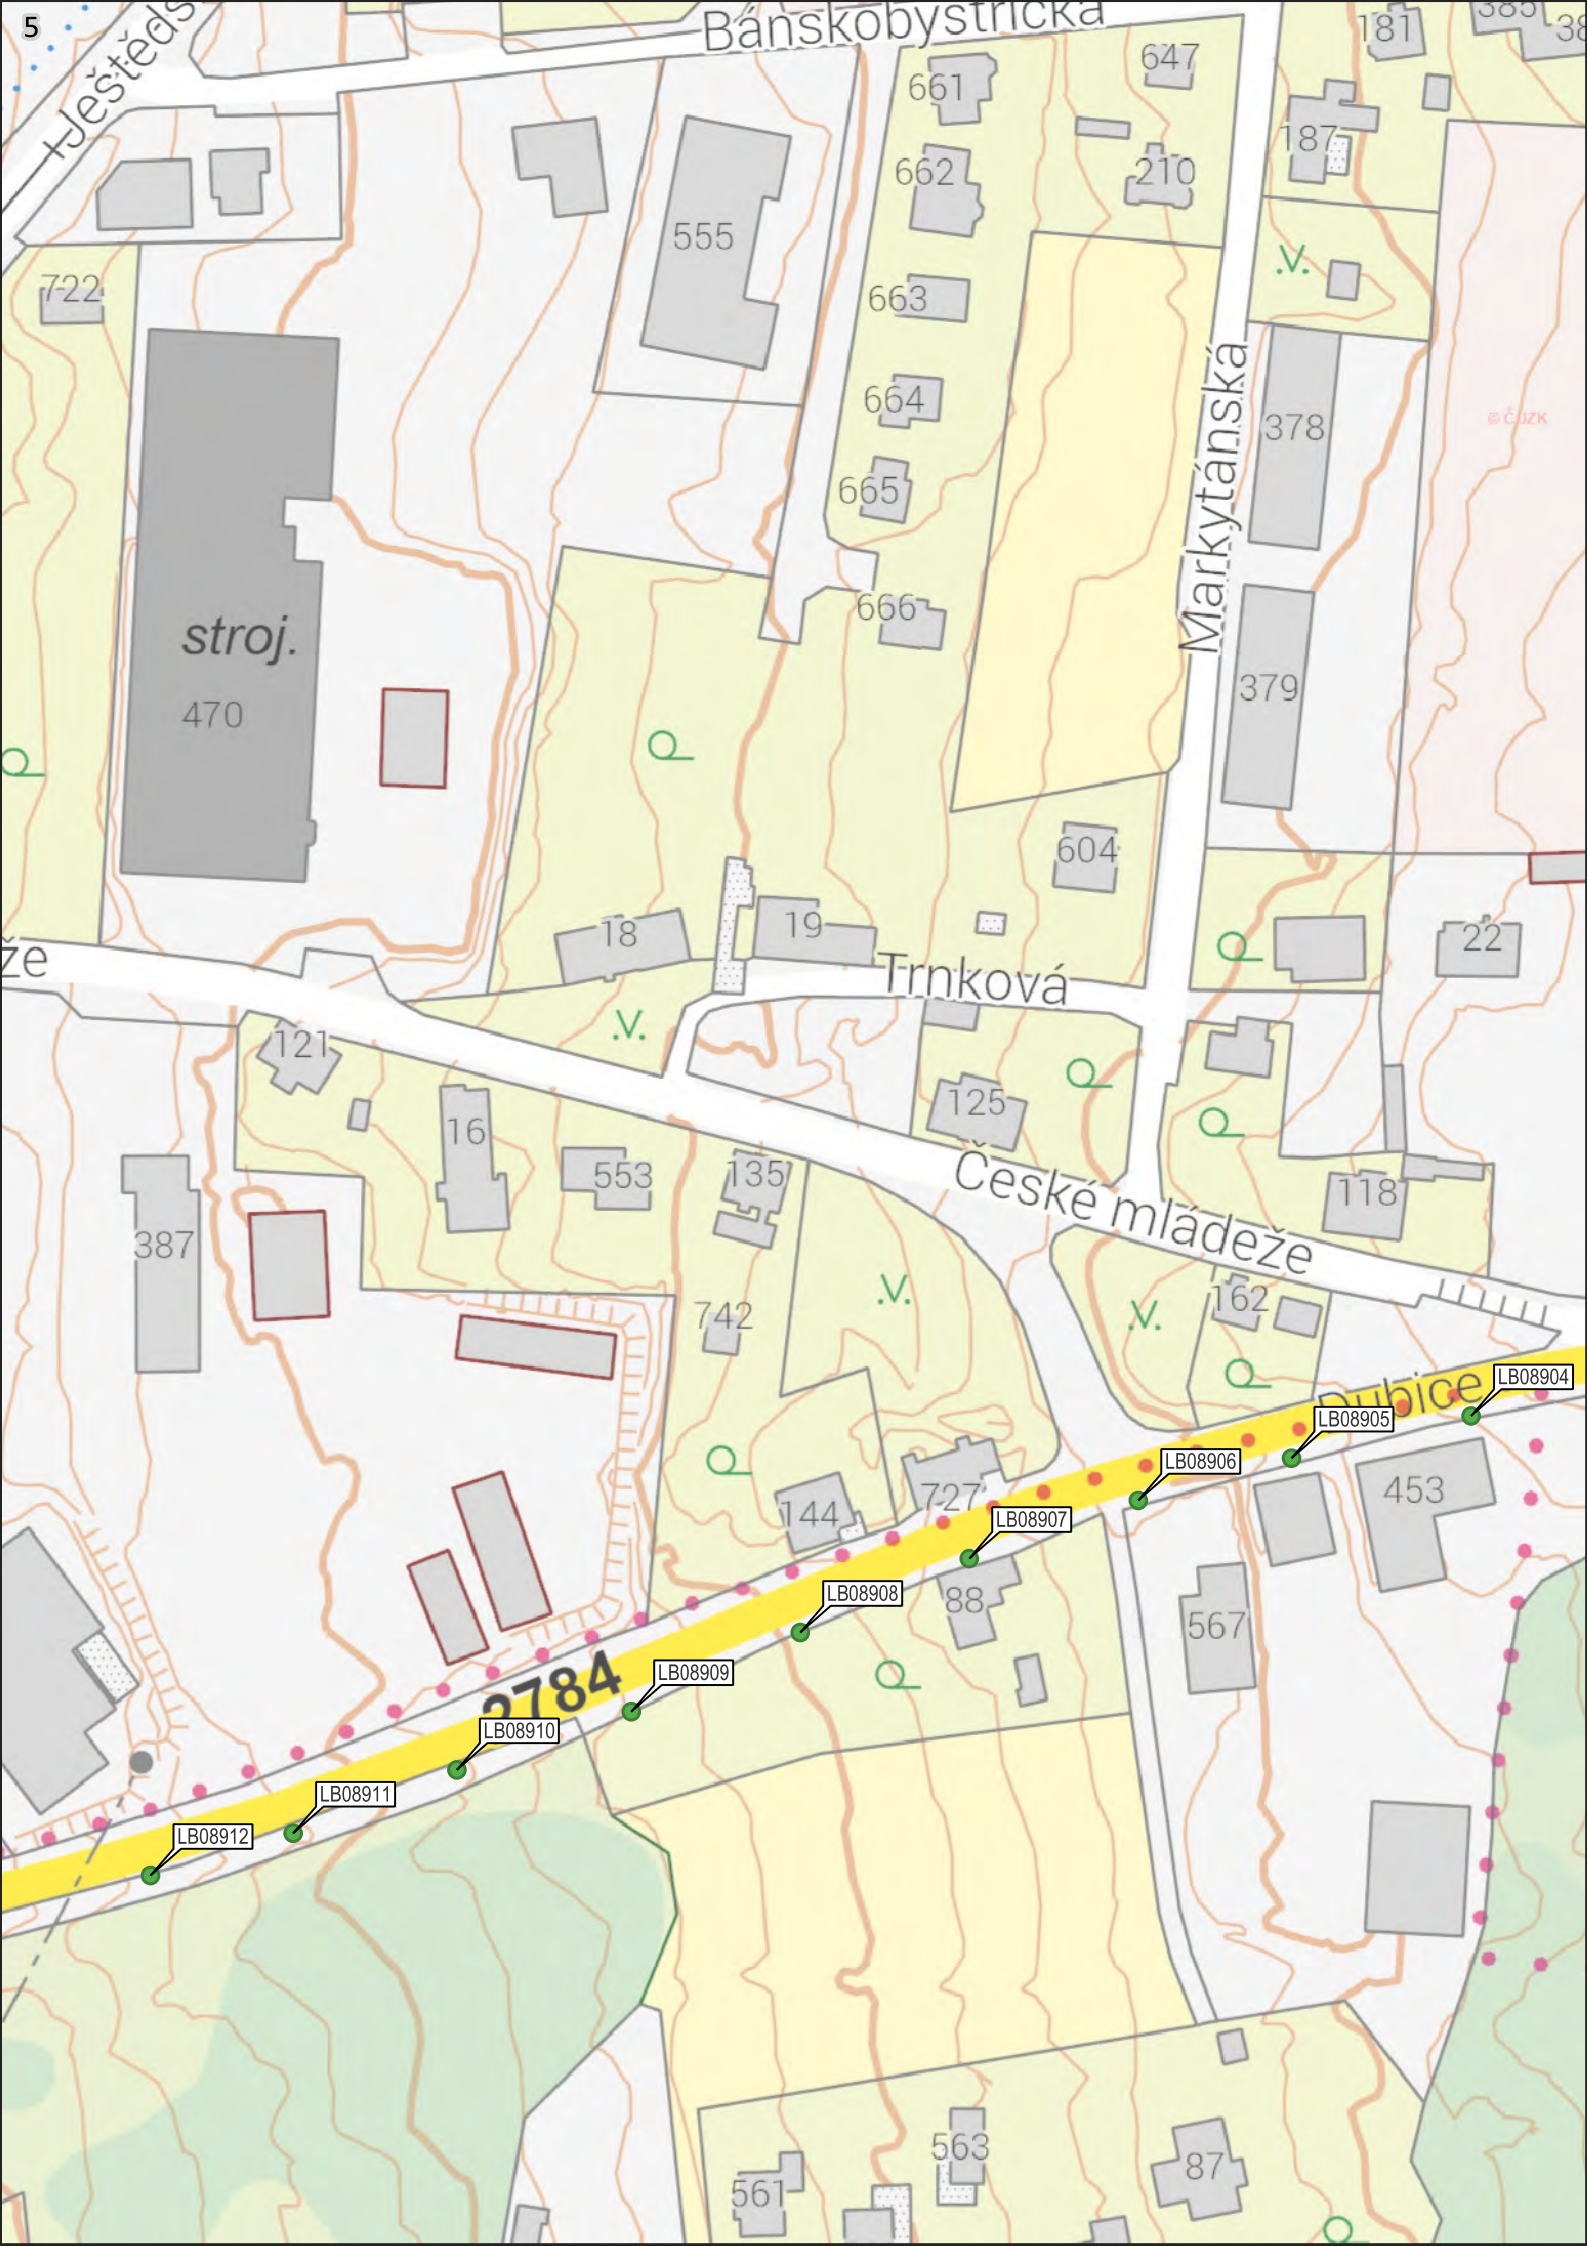

The map also includes a legend for various types of public lighting fixtures, such as streetlights, area lights, and decorative lighting. The legend is located in the bottom right corner of the map.
