

A hand-drawn sketch of a profile, possibly a cross-section of a terrain or a mechanical part. The profile is drawn with a wavy line. To the right of the profile, there is a vertical line with several horizontal steps or notches. Dimensions are indicated with arrows and numbers: a vertical dimension of 100 is shown at the top right; a horizontal dimension of 100 is shown below it; a vertical dimension of 20 is shown at the bottom right; and a horizontal dimension of 20 is shown to the left of the bottom right corner. The sketch is drawn on a piece of paper with a wavy, textured background.
